

# SAMUKELISIWE MADLALA

## BIO

Samukelisiwe is a nutritionist and postdoctoral research fellow at the South African Medical Research Council, Non-Communicable Diseases Research Unit. She holds a PhD in Public Health from the University of the Western Cape, as well as a Master of Science in Human Nutrition, a Postgraduate Diploma in Community Nutrition, and a Bachelor of Science in Human Nutrition from the University of KwaZulu-Natal. Her research interests include dietary intake, diet-related non-communicable diseases, food security, and food environments.

Her role will involve coordinating fieldwork and conducting dietary assessments for WP4, as well as providing research support for WP6.
